## \* CUSTOMERS... LOVE THEM... NEED THEM \*

**PLEASE HAND OUT the enclosed business cards...** to families who like to save money!

I WILL SEND STEPS TO ADVERTISE YOUR STUFF ON CRAIGS LIST the week before sale.

An email will be sent closer to sale date for you to notify your friends, co-workers, family

Either by word of mouth, email, Facebook, Twitter... **YOU ARE OUR BEST ADVERTISERS!**

- **Bring your own table, chair, racks, and trash bag.** Recycle your grocery bags for customer use.
- **Pricing Merchandise:** visit ebay and consignment shops, then price your stuff lower. Price -approximately 30% of retail price. Please separate clothing by sex and size. Price everything.
- **Signage:** Please have a sign telling the sizes and sex of clothing, and if accepting cash or checks. The only tape used in building is the blue or green painter's tape...it is safe on walls (Lowes/Depot).
- **Cash:** bring a minimum of \$100 in ones. Keep cash on yourself. Do not leave cash overnight in booth. Collecting taxes is your option. **Accepting Checks** - your choice. If so check Driver's License and write their license number on check. ATM is usually working at North entrance.
- **Do not hold unpaid items.** Selling cribs with parts, exchange phone numbers. Someone is always leaving parts at the sale.
- **Problems:** missing child, lost & found, theft, accident, problems, etc. Contact Natalie at front booths
- **Customer Service:** Please be nice to your customers. They are not always right and they can't always get things for their price. Consider discounting if they are buying multiple items or it's the end of the sale. Don't waste too much time trying to convince customers about the value of your items.
- **WATCH FOR THEFT:** If someone walks out of your booth with an item nicely confront them and ask if they would like to pay for that now. Remember some people do not realize they pay at each booth.
- **Sell:** EVERYTHING AND ANYTHING FOR KIDS USE, BEST TO SELL SEASONAL. NO FORMULA, or FOOD.
